Color & Discover

Explorer name: _____ Date: _____

The fish with a see-through head!

Color the eye lenses green. Leave the clear dome pale.

Add a deep ocean background around your barreleye fish.

THREE AMAZING DISCOVERIES

1. A transparent dome covers the top of its head.
2. Its tube-shaped eyes can turn upward and forward.
3. The dark spots above its mouth help it smell.

MY BIG QUESTION

What would you like to ask a deep-sea scientist?
